

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Kodol

Digests What You Eat

Mrs. Loring Nichols of Penn Yan, N. Y., writes: After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured.

Kodol cures indigestion, dyspepsia and all stomach disorders, and gives the heart a full, free and untrammelled action.

A COMET COMING.

This one is due to strike the earth in the course of a few weeks.

A BOOM

Does not ultimately bring about the best results to a community.

THE PAN-HANDLE

is NOT on a boom, but is enjoying the most rapid growth of any section of Texas.

Why?

Because only recently have the public at large realized the opportunities which this northwest section of Texas offers. The large ranches are being divided into **SMALL STOCK FARMS**. Wheat, Corn, Cotton, Melons and all kinds of Feed Stuffs are being raised in abundance, surpassing the expectations of the most sanguine—a country abounding in such resources (tried and proven), together with the LOW PRICE of Lands, cannot help enjoying a most rapid growth, and that is what is happening in the Pan-Handle.

The DENVER ROAD

has on sale daily a low rate home-seekers ticket, which allows you stop-overs at nearly all points, thus giving you a chance to investigate the various sections of the Pan-Handle. Write

COL. MORSE

On the Cotton Situation—Advises Against Selling at Present Prices.

New York, Sept. 28.—Colonel S. F. B. Morse of the firm of D. J. Sully & Co. said:

“There is not the least doubt in my mind but that every effort will be made from now on to depress the value of spot cotton and hence the best service the press of Texas can render its producers of cotton is to tell the world plainly and frequently just what the true conditions are.

“In the face of the great destruction of the boll weevil and other insects, together with the lateness of the crop, I feel safe in estimating that the yield will not exceed that of last season and if perchance there is an early frost a famine must ensue and the planter should get the highest price he has received for many years for his staple.

“For the present, however, if farmers persist in rushing their cotton to market, prices will decline. Even the prospects of a famine later on will not hold up prices now if the producer attempts to put one-half of the crop on the market in the first two or three months. That would put the control of prices in the hands of the purchaser temporarily.”

GEO. HICKMAN REEL, Prop. Shoreham Hotel, Cape May Pt., N. J., says: “It gives me great pleasure to recommend Miss M. Virginia Jones as an elocutionist of great merit. Her presence and manner on the platform are very pleasing and her fine personal character lends additional interest to her productions. Possessed of a clear and exceptionally deep voice, her audience is soon drawn into sympathy with the selections she has chosen. As a dramatist she does not spoil the good effect by any superabundance of dramatic effort. We wish her the best of success—as she deserves.” City Hall, October 2.

YOUNG WIFEHOOD

Boston, Mass., 152 Shawmut Ave., Oct. 25, 1902.

After I had been married about four months I felt my health generally decline. I seemed to lose the light step and dragged wearily along instead. My appetite failed me and I lost health and strength. I was nervous and had shooting pains through my limbs and stomach while bearing down pains and constant headaches added to my misery. The menstrual flow became more and more profuse and I was unfit to attend to my daily duties. My husband called in three different physicians and I took every medicine to kill or cure a dozen women, but it all had no effect on me whatever, until I took Wine of Cardui. In a few days I felt a change for the better, my general health improved and at the next time of my periods my flow was more natural and I was in less pain. Gradually I recovered my health and strength and am now in perfect health. I take an occasional dose of Wine of Cardui which keeps me well.

I am happy to give you this endorsement.

Bethy Ricker
President, Back Bay Woman's Club.

Why don't you try for the same health Mrs. Ricker has? It is easy to secure if you take Wine of Cardui according to directions. Wine of Cardui strengthens weak and worn-out women of any age and assists the mother and housewife to bear her exacting duties. Wine of Cardui makes women fit for all the duties of womanhood.

It will relieve the pains of irregularity, cures falling of the womb, leucorrhoea, ovarian troubles, and has been known to remove what physicians considered dangerous tumors. Women who use Wine of Cardui do not suffer at the monthly periods. They do not suffer hysterical attacks, because Wine of Cardui gives them strong nerves freed from the irritation of female suffering.

A \$1.00 bottle of Wine of Cardui purchased from your Druggist will keep you free from pain.
